**Ronald Rix**, *Director of Technology & Business Services*  
**Richard Jablonski**, *Supervisor of Maintenance*

DATE: September 8, 2015  
 TO: All Students, Parents and Staff of the Westfield Public Schools  
 SUBJECT: Asbestos Management Plan Availability  
 FROM:  Ronald R. Rix, Director of Technology & Business Services  
 Richard J. Jablonski, Supervisor of Maintenance

This notification is required by the Asbestos Hazard Emergency Response Act (AHERA, 40 CFR Part 763 of the Title II of the Toxic Substances Control Act).

Building surveys, three year, six month inspection reports and Asbestos Management plans have been developed for each of the facilities listed below, as required by AHERA and are available for viewing by staff and the public, if they so desire.
