

PowerSchool

Parent Portal

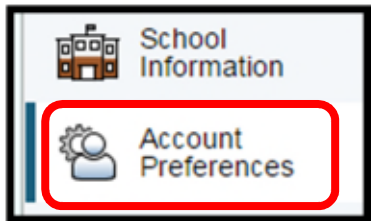

Adding a new student to an existing parent/guardian portal account

1. Login to a parent portal with your existing username and password

A login form with two input fields. The first field is labeled "Username" and the second is labeled "Password". Both fields are empty and have a light gray border.

2. Go to **Account Preferences** screen

A navigation menu with two tabs. The first tab is labeled "School Information" and has a school building icon. The second tab is labeled "Account Preferences" and has a gear icon. The "Account Preferences" tab is highlighted with a red border.

3. Click on a **Students** tab

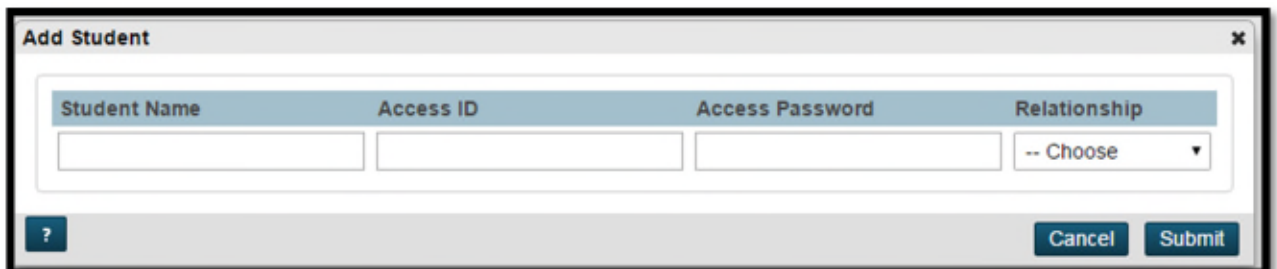

A screen titled "Account Preferences - Students". There are two tabs: "Profile" and "Students". The "Students" tab is highlighted with a red border.

4. Click **Add**

A screen titled "Students" with a table and an "Add" button. The "Add" button is highlighted with a red border.

5. Enter Student Name, Access ID and Access Password provided from student's attending school

An "Add Student" form with four input fields: "Student Name", "Access ID", "Access Password", and "Relationship". The "Relationship" field is a dropdown menu with "-- Choose" selected. There are "Cancel" and "Submit" buttons at the bottom right.

6. Submit
