

Easy, Free Way to Improve Your Child's Listening Comprehension and Increase Vocabulary!

Download Overdrive Media Console to give your child thousands of ebooks and audiobooks to your device and let them listen their way to improvement. It's easier than getting in the car to go to a bookstore or the library.

(Perfect for colder weather when you don't feel like leaving the house!)

1. Download FREE OverDrive Console Media app from the app store or website to your iPhone, iPad, iPod touch, android , Kindle, NOOK or smartphone.

2. Make sure you have a Westfield Athenaeum (our Public Library) card account. Don't have one? Visit the city library just once to set it up. Or get an eCard from the Boston Public on-line. Just go to their site at <http://www.bpl.org/general/circulation/borrowers.htm>.
3. Add our city library (or Boston Public Library) to your OverDrive account.
4. Borrow an audiobook and have your child be learning wherever you are. Perfect for in the car, waiting at doctor's appointments, waiting at sibling's sporting events, entertaining your child while you make meals, etc.
5. No Late Fees! Titles are automatically returned! You can even put books on hold, create wish lists and return titles through OverDrive.
6. Troubles? Go to www.Overdrive.com for "How to" videos for easy set-up of your OverDrive account and libraries.
